Invitation

A cordial invitation is extended to all people who are interested in beef cattle to attend the 6th Annual WISCONSIN BEEF CATTLE FUTURITY and SALE at the Dane County Fairgrounds in Madison on March 10-12, 1960. The three day event will bring together the finest selection of beef cattle in this fast growing beef producing state of Wisconsin.

Angus, Herefords, Polled Herefords, and Shorthorns will compete for the Supreme Championships in this beautifully equipped fairgrounds Arena on Friday, March 11. One of the few great shows that selects a bull and female as Supreme Champions over all breeds, the WISCONSIN FUTURITY awards handsome trophies sponsored by the industry to the winners.

As you examine the pedigrees and observe the quality of the many fine animals in the show and sale rings, you will marvel at the progress made in the past six years. Wisconsin breeders have offered the best selection of young and serviceable bulls for those looking for a new herd sire. The females will be good foundation breeding stock ready to begin a new herd, or add to your present one.

In addition to the Futurity entries, we are offering many fine open bulls and females for you to select your breeding stock.

The year - 1960, will be the time for beef producers to put quality into their breeding program. Buyers may now look for the kind of cattle they desired, but heretofore, have felt they could not afford. Come and see for yourself at the 1960 Futurity.

Added again this year is a Quality Contest. This event will open the show on entry day, Thursday, at 10:00 A.M. Continued this year is the Junior State Heifer Project. These young 4-H and FFA members will show and sell a strong selection of fine heifers from top Wisconsin herds.

Join the ranks of enthusiastic beef cattle producers by attending this show and sale, and enjoy a free beef barbecue, which will be held on Saturday.

- 11:30 A. M. - Beef Barbecue - Arena
- 12:30 P. M. - Hereford Sale

JUNIOR BEEF CATTLE JUDGING CONTEST

Offering an excellent opportunity to properly select and judge beef cattle, the 1960 Futurity will include another Junior Beef Cattle Judging Contest. Judging classes will include classes of breeding stock and steers. A special invitation is extended to all Vocational Agricultural and County 4-H groups. Registration will begin at 8:30 A. M., Saturday, March 12, in the Arena. Judging will begin promptly at 9:00 A. M. For further information, write Quin Kolb, Animal Husbandry Dept., University of Wisconsin Stock Pavilion, Madison.

Animal Health

Dr. A. A. Erdmann

Wisconsin Department of Agriculture

GENERAL REGULATIONS AND PRECAUTIONS

Animals which show symptoms of disease or which come from an area which is considered as exposed or quarantined on account of the presence of a highly contagious disease, cannot be shown at Wisconsin fairs.

The Wisconsin Department of Agriculture urges that every precaution be taken on the part of exhibitors to use individual utensils in caring for the animals and, in particular, to use individual watering buckets. Common watering troughs are forbidden. Each exhibitor shall provide himself with water buckets to be used for his stock only.

The Department also urges that all exhibitors thoroughly clean and disinfect all vehicles which are to be used to transport animals to and from the fair. All animals should have room enough to be fed and watered in transit, and they should not be unloaded or even left in stockyards during transit or at the time of loading or unloading. Stockyards and stock cars are considered as exposed premises. The following special regulations also apply:

CATTLE

Cattle may not be exhibited unless accompanied by the required health records, which shall be approved by the State Veterinarian at the time the animals are unloaded at the fairgrounds. All animals exhibited shall be identified by registration name and number or by ear tag number.

Cattle originating from within Wisconsin must be accompanied by a report of a negative brucellosis test conducted within 30 days of exhibition, except that such report shall not be required for:

1. Negative cattle from brucellosis free certified herds, if accompanied by a copy of the herd certificate.
2. Official vaccinates not over 30 months of age, without history of abortion, if accompanied by an official calfhood vaccination report.
3. Calves under 8 months of age.
4. All sale cattle must be brucellosis tested by state controlled laboratory within 30 days of sale.

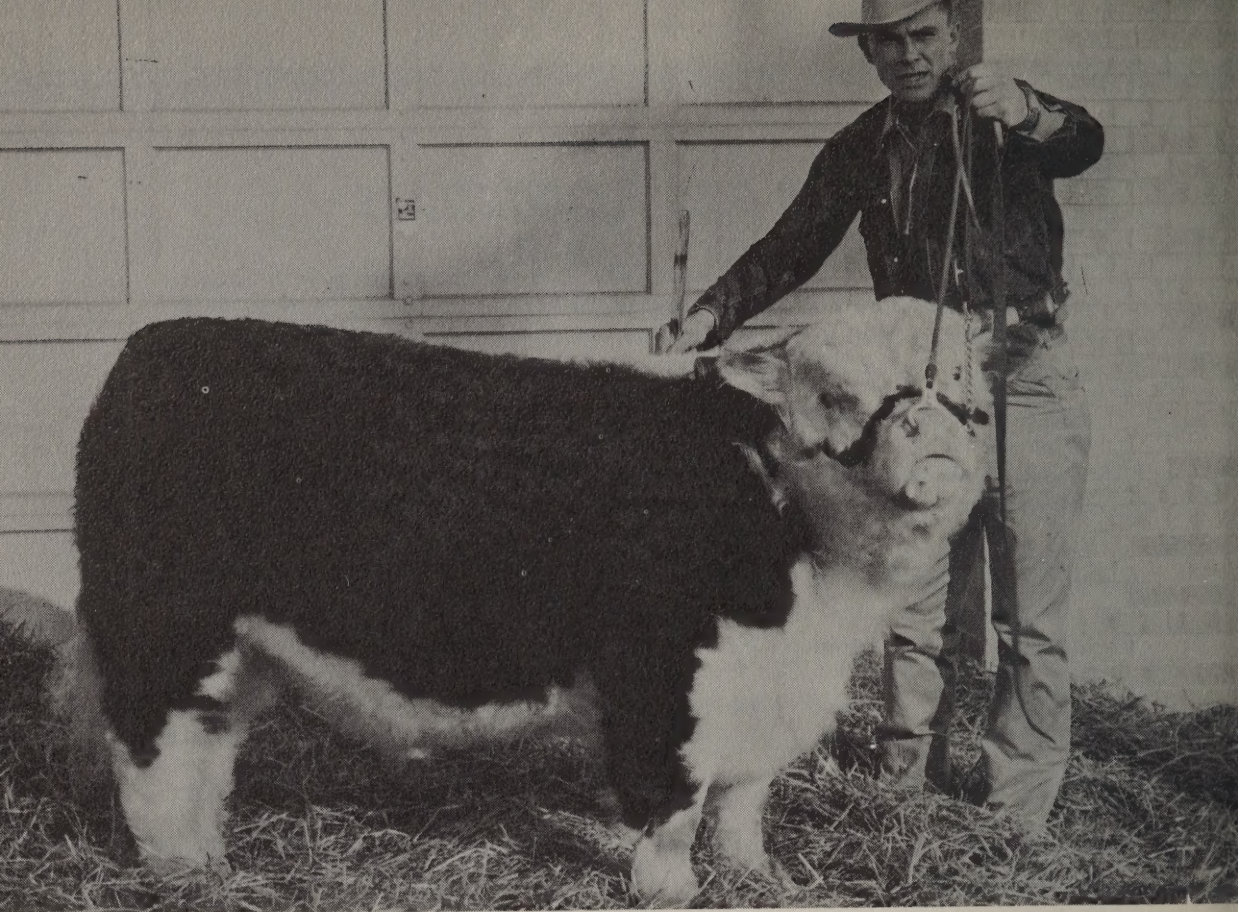

Cattle from herds under quarantine for tuberculosis are not eligible for exhibition. T. B. test required of all sale animals within a 30 day period. (This qualifies the animal for out-of-state shipment.)

PENALTIES

Section 95.19 of the statutes provides that "no person shall...exhibit at any fair any animal afflicted with or exposed to any contagious or infectious disease." The section also provides that a person violating the section is liable to any other person who sustains damages because of such violations.

Rules and Regulations

1. **ELIGIBILITY:** The Wisconsin Beef Cattle Futurity Show and Sale is open to members of their respective Wisconsin Breeder Association. Entries to be shown must be bred in Wisconsin and owned by the Wisconsin exhibitor.
2. **ENTRY FEE:** \$10.00 per head was the Futurity fee submitted to be used for premiums. \$3.00 additional per head was used as show expense. Entries to be shown must be bred in Wisconsin and owned by the exhibitor. However, calves purchased in dam are eligible. No substitutions are permitted after January 15th.
3. **HEALTH CERTIFICATES AND SALE CATTLE TRANSFERS** must be presented when the cattle enter the grounds.
4. All bulls must be double tied.
5. **THE AMOUNT OF CASH PREMIUM AWARDS** in each class depend upon the number entered in each class, and the additional premium funds received.
6. Actual sale expense will be deducted on a per head basis.
7. \$10.00 will be charged for all cattle listed for sale in the catalog, but not sold at the time of sale.
8. The terms of the sale are cash and all settlements must be made at the close of the auction.
9. A release slip must be obtained from the clerk before an animal will be permitted to leave the barns.
10. Each animal sold will be held at the purchaser's risk for not more than 24 hours after the close of the auction.
11. All animals will be at owner's risk until sold and at buyer's risk after sold. In no case does the General Manager or Sale Committee assume any liability in connection with the cattle.
12. Health certificates will be furnished by sale consignors showing result of T.B. and Bangs test within 30 days prior to the sale.
13. All cattle going through the sale ring must change ownership. All transfers will be made through the Sale Manager.
14. Breeding dates on bred heifers will be announced at Sale time and take preference over printed material, but not guaranteed by the Sale Management.
15. Mail bids may be sent to Robert F. Thayer, Wisconsin Livestock Breeders Association; E. R. Hauser, College of Agriculture; or representatives of the breed Associations.
16. **RELEASE SCHEDULE:** All sale cattle may be released following each breed sale. All Futurity Show cattle will be released Saturday at 1:00 P.M.

Supreme Champion Bull of the 1959 Wisconsin Beef Futurity Show was RD Battle Tone 8th 10247106, bred and exhibited by Red Dot Foods, Inc., Rhinelander. This fine Hereford bull was sired by Battle Tone and calved by Ruby 57th on February 5, 1958. Holding RD Battle Tone 8th is Gene Wiese. (Picture by Frank Mayfield).

Polled Hereford Get-of-Sire	Wisconsin Polled Hereford Breeders Association
Shorthorn Champion Bull	Wisconsin Shorthorn Breeders Association
Shorthorn Champion Female	Wisconsin Shorthorn Breeders Association
Shorthorn Get-of-Sire	Wisconsin Shorthorn Breeders Association

BREEDING CLASS SPECIALS

The American Angus Association, St. Joseph, Missouri, will offer \$250.00 to the Angus breeding classifications. The management will proportion this money according to the numbers shown in each class.

An additional 20% to the premiums over \$5.00 in the Junior Heifer Project will be offered.

The American Hereford Association, Hereford Drive, Kansas City, Missouri, offers 20 per cent of the Hereford classifications on prizes of \$5.00 or more, for registered Hereford breeding cattle, meeting national office requirements. The Association's share will be paid directly from its Kansas City office.

The American Polled Hereford Association, 1110 Grand Ave., Kansas City, Missouri, offers \$500.00 to be distributed as premium money in the Polled Hereford breeding classes provided the animals are recorded in the American Polled Hereford Association. This premium money will be paid directly from the Association's office at Kansas City.

The American Shorthorn Breeders' Association, Omaha, Nebraska offers \$200.00 to the classes at the 1960 Wisconsin Beef Cattle Futurity Show to be distributed among the winners.

Quality Beef Contest

The first Wisconsin Carcass Steer Contest was held at the 1957 Wisconsin Futurity. Wisconsin purebred and commercial breeders are eligible to enter steers in competition. It is through shows such as this that beef cattle men are better able to understand the true market value of beef animals.

The steers will be judged and graded on foot. Steers will be placed on market desirability and value in production of high quality beef. The judges of the carcasses will be instructed to select for a high proportion of lean to fat, especially in the high priced cuts, and also select carcasses having uniform, yet not excessive fat covering. They will also prefer high quality lean and fat.

1. No entry fee will be required. Entries will close March 1st.
2. All steers will be mouthed on Thursday, March 10, at 8:00 A.M.
3. On-foot classes will be judged at 10 A.M., Thursday, March 10.
4. All steers must be halter broke and will be exhibited by tying to a rail. Exhibitors will be encouraged to observe all entries and discuss placings.
5. Immediately following the judging, the cattle will be weighed and taken to the packing plant for slaughter. Cattle must be at the plant by 12:00.
6. Carcass judging is scheduled for Saturday morning, March 12. All carcasses will be sold and the proceeds will be transferred to the exhibitor.
7. A Dutch Treat Breakfast will be open to all at the Oscar Mayer & Co. Cafeteria. A complimentary ticket will be issued to each carcass exhibitor.
8. All steers shown in carcass competition must be bred by the exhibitor.
9. Steers must meet the following regulations:

Class I - Steers calved between March 1 and June 30, 1958 - min. carcass weight to quality - 625 pounds. (No steers may be shown in this class that has more than one pair of its milk teeth replaced by permanent teeth.)

Class II - Steers calved between July 1 and October 31, 1958 - Min. carcass weight to qualify - 540 pounds. (The maximum weight shall not exceed 1175 pounds.)

Class III - Steers calved between November 1 and March 1, 1959 - minimum carcass weight to qualify - 465 pounds.

10. No health regulations are required for steers.
11. Entry limited to two steers per exhibitor.

SALE OF CARCASS STEERS

All cattle will be slaughtered at the Oscar Mayer & Company plant, Madison, Wisconsin, and the carcasses purchased by the company based on cold carcass weights. The "Packers Daily Record" will be used to establish the base price for each grade and weight. The base price for each grade and weight classification will be the highest daily carcass price quotation in the Chicago Packers Daily Record for the week of the show, March 7-11.

The carcasses will be graded according to U. S. Government Standards into the grades of Prime, Choice, Good, Standard, and Utility. Each grade will be divided into three groups (1, 2, and 3) depending upon the meatiness and ratio of fat to lean in each carcass. Group 1 will be the most desirable, being meaty with a large loin eye and a minimum of external fat. Group 2 will be less desirable in the amount of muscle and free from excessive external covering. Group 3 will be light in muscling or have excessive amounts of external finish. The grading and grouping will be done by the official judges.

The prices for the carcasses paid to the exhibitors will be calculated according to the following schedule:

PRIME 1 will receive the base price for prime plus \$2.00 per hundred weight.

PRIME 2 will receive the base price for prime.

PRIME 3 will receive the base price for prime minus \$2.00 per hundred weight.

CHOICE 1 will receive the base price for choice plus \$2.00 per hundred weight.

CHOICE 2 will receive the base price for choice.

CHOICE 3 will receive the base price for choice minus \$2.00 per hundred weight.

GOOD 1 will receive the base price for good plus \$2.00 per hundred weight.

GOOD 2 will receive the base price for good.

GOOD 3 will receive the base price for good minus \$2.00 per hundred weight.

All standard and utility grade cattle will receive base price.

Grand Champion Steer Carcass of the 1959 Futurity was owned by Harold Finley, Janesville, Wisconsin. This Angus steer placed first on the hoof in Class I, and Champion overall. Steer No. 5 weighed 1039 lbs. alive, dressing percentage of 50.6%, marbling score of 7, loin eye - 12.90 sq. inches, and a fat thickness of .72 inches. The carcass graded a No. 1, Prime. Reserve Champion carcass was owned by Robert Hodge, Janesville, on another Angus.

Quality Beef Awards

Cash awards will be made to winners both on foot and on the rail. One fourth of the prize money will be awarded to the cattle on foot and three-fourths to the winners on the rail. The awards will be prorated according to the number of steers competing in each class.

The following firms have contributed to the Quality Beef Contest.

ARMOUR & COMPANY, Milwaukee, Wisconsin
 MILWAUKEE STOCKYARDS COMPANY, Milwaukee, Wisconsin
 OSCAR MAYER & CO., Madison, Wisconsin
 PATRICK CUDAHY, INC., Cudahy, Wisconsin
 STOPPENBACH SAUSAGE CO., Jefferson, Wisconsin

All cattle will be slaughtered and purchased by OSCAR MAYER & CO., Madison, Wisconsin.

The American Angus Association, St. Joseph, Missouri, will contribute \$100.00 to the Angus steer entries. This money will be awarded as stated above. A \$25.00 special premium will be offered by the association if the Grand Champion Carcass is an Angus.

The American Hereford Association, Hereford Drive, Kansas City, Missouri, offers a \$100.00 special prize for the Grand Champion Steer in the Carcass Contest, if a Hereford. The Association's premium will be mailed directly to the exhibitor upon receipt of a report from the show manager.

Madison Chamber of Commerce, Madison, Wisconsin, offers a trophy award to the Grand Champion Quality Beef exhibitor.

Junior State Heifer Project

An opportunity is given at the Wisconsin Futurity Show for junior beef producers to exhibit their purebred female beef animals. This program encourages the development of interest in good breeding, feeding and management for our farm youth in beef cattle production.

Two years ago a pilot program was developed in Iowa County through the cooperation of the county extension and vocational agriculture leaders and the breeders. The breeder turned over a purebred heifer from his herd last spring. Each 4-H or FFA member carried the animal as a project and followed recommendations of the Iowa County Beef Committee. At the conclusion of the Futurity, these heifers will be sold on a 50-50% basis with the breeder.

This year, competition in the Junior Heifer Project is open to any boy or girl in Wisconsin owning a female between the ages of January 1, 1958 to August 31, 1959. Proof of ownership or managerial possession must have been made 60 days prior to preliminary entry of November 15, 1959.

Judging will be done previous to the Open Division show by the same judges. The first two placings in each class may enter in the Open Division by making additional entry of \$10 for Futurity fee following the judging and prior to the open class show.

JUNIOR PREMIUMS

Each exhibitor submits a \$5.00 per head Futurity Fee which will be divided proportionately to the numbers in each class. This amount will be one-half of the Cash Premium Paid in the Open Division.

In addition, the Wisconsin Beef Breeders' & Feeders' Association offers an equal amount to be distributed by the show management to the Junior exhibitors.

The American Angus Association, St. Joseph, Mo., offers 20% on premiums \$5.00 or over to the Angus winners. This payment will be made by the association directly.

The American Hereford Association, Hereford Drive, Kansas City, Missouri, offers 20 per cent of the Hereford classifications on prizes of \$5.00 or more, for registered Hereford breeding cattle meeting national office requirements. The Association's share will be paid directly from its Kansas City office.

The American Shorthorn Association, Omaha, Nebraska, will offer 20% to the Junior Division of the amount contributed to the Shorthorn entries in the Wisconsin Beef Cattle Futurity Show.

Three Iowa County Banks will offer a trophy for the Champion Hereford Heifer, Champion Angus Heifer, and Champion Shorthorn Heifer. Only heifers in the Special Iowa County Project are eligible.

JUNIOR AWARD WINNERS

Angus Junior Champion - 1959 - Marilyn Horsfall, Mt. Hope
- 1958 - Gary Beerkircher, Dodgeville

Hereford Junior Champion - 1959 - James Bennett, Dodgeville
- 1958 - William Heins, Mineral Point

Shorthorn Junior Champion - 1959 - Dick James, Dodgeville
- 1958 - Charles Bunker, Jr., Platteville

Previous Award Winners

Supreme Champion Bull	1959 - RD Battle Tone 8th - Red Dot Foods, Inc., Rhinelander 1958 - CMR Aster Domino 64th - T. J. Griswold, Livingston 1957 - Hickories Armada - W. A. Taylor, Pardeeville (Sh.) 1956 - Leetline Pilot 7th - Leverett F. Leet, Kenosha (Herf.)

Champion Carcass Steer	1959 - Harold Finley, Janesville 1958 - Harry May, Mineral Point 1957 - Neal Jones, Watertown
Reserve Champion Carcass Steer . . .	1959 - Robert Hodge, Janesville 1958 - Norman Rule, Mineral Point 1957 - Rex Draheim, Watertown

Your Invitation To A Beef Barbecue

With such an enthusiastic reaction to the Beef Barbecue on last year's sale day, guests and exhibitors will again be served a free beef barbecue on Sale Day, Saturday, March 12.

Meat for the barbecue will be provided by the Wisconsin Hereford Breeders' Association and the Wisconsin Polled Hereford Breeders' Association. Donations were received from the following Hereford members:

E. D. Shultis

The chief chefs will be B. J. Haasl and Fred Giesler, assisted by Robert W. Bray, Robert Sayre, Robert Cassens and Bernard Lohse, of the Animal Husbandry Department, University of Wisconsin.

Aiding in the serving of the guests will be the very active Hereford Committee who will be serving the food, etc., as follows:

Neil Houslet, Chairman; Robert Lindquist, Phil Maas, Kathryn and Barbara Robinson.

The following 5 Polled Hereford Breeders will serve on the Barbecue Committee: L. G. Holmes, Chairman; Tod Joyce, Joe Griswold, D. W. Fox, and E. D. Shultis.

Red Dot Foods, Inc., Madison, Wisconsin, as an interested Hereford exhibitor, and friend of the beef industry, will again contribute the potato chips. The Wisconsin Department of Agriculture, as part of their meat promotion program, will contribute funds to the barbecue expense to encourage the use of beef in similar barbecue events.

This is your invitation to the barbecue beginning at 11:30 A.M. and continuing until 12:30 on March 12.

THE REWARDS OF ABILITY AND FORESIGHT

OUTSTANDING FFA BOY FINDS ASSOCIATION PLAN WELL-SUITED TO HIS NEEDS...

Terry Kegley, a member of the East Troy Chapter of Future Farmers of America and the 1958 selection as "outstanding Walworth County 4-H boy", recently received the coveted "American Farmer Degree" at the National FFA Convention.

Terry is also one of the many members of the Wisconsin Livestock Breeders Association who has protected himself with a specially adapted insurance program.

This Program is presented by the Continental Casualty Company and sponsored by your Wisconsin Livestock Breeders Association for the purpose of establishing a plan of disability benefits that will serve your best interests.

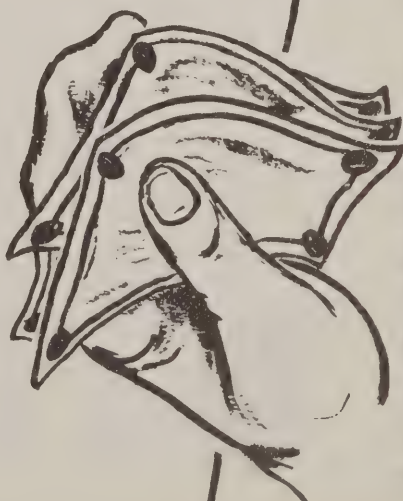

Terry Kegley has already found how useful the benefits from this plan can be.

For complete details, write or call your
WISCONSIN LIVESTOCK BREEDERS

ASSOCIATION

Robert F. Thayer, Secretary
1800 University Avenue
Madison, Wisconsin
Continental Casualty Company, Chicago, Illinois
Intermediate Division

CONTINENTAL CASUALTY-COMPANY
Chicago, Ill. **Intermediate Division**

M. W. Medlen Agency

November 2, 1959

Dear Mr. Medlen:

I would like to take this opportunity to thank you for the prompt and satisfactory payments of my recent claims.

Little did I know when I applied for my policy May 5, 1959, that I would be collecting benefits three months later. I received a check in the amount of \$186.67 in September for this accident.

A short time later, I again became disabled. This time for almost a month and a half. Certainly your check for \$296.00, covering this disability, was most welcome.

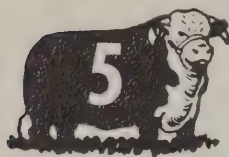

I am also very grateful that my Association—THE WISCONSIN LIVESTOCK BREEDERS' made it possible for this valuable coverage to be available to its members. I would heartily recommend that ALL members definitely consider these policies for their own peace of mind and financial protection.

My advice to them would be: "You cannot avoid each and every sickness or accident, but you can be prepared financially, if you carry this protection with Continental Casualty Company."

Sincerely,

Terry Kegley

Shorthorn Futurity Sale

MARCH 11

17 BULLS - 28 FEMALES

Above we see a typically high quality group of Wisconsin Shorthorn heifers.

Why Shorthorns?

There is a reason why more and more profit-minded farmers, junior exhibitors and commercial cattlemen are turning to Shorthorn production. Shorthorns give you the PLUS FEATURES of beef production . . . more pounds at weaning, greater weight-for-age, gentler dispositions, less health troubles and more efficient gains.

Shorthorns produce prime carcasses as proved by Mid-Winter Futurity, Iowa State Fair and International carcass competition.

There is no breed that can beat Shorthorns when it comes to making PROFITS.

The Shorthorn industry is America's fastest growing beef breed. Registrations increased 23.9 percent in 1959 . . . ten percent more than any other breed. Transfers zoomed by 26 percent.

Thinking boys and girls are turning to Shorthorns. Junior Shorthorn memberships increased 62 percent last year.

At right are Norman Rule, Mineral Point; Robert Masters, Dodgeville; and Elmer Rule, Dodgeville, with Lindy Illuminator RR, Supreme Champion and \$1,035. selling female at the 1955 Mid-Winter Futurity.

General Information

Location - The sale will be held at the Dane County Fairgrounds, Madison.

Time - Sale will be held on the afternoon of March 11th, right after selection of Supreme Interbreed Champions.

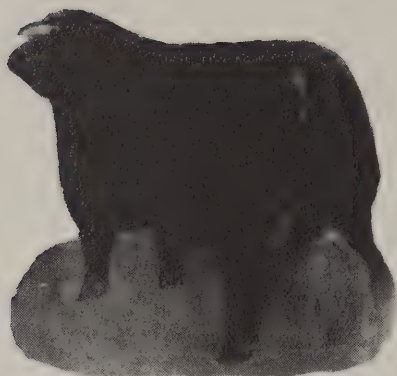

Guarantee - All cattle will be sold under the Standard Guarantee of The American Shorthorn Ass'n.

Auctioneer - C. D. Swaffar, Tulsa, Oklahoma.

Mail Bids - Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may do so by sending buying orders to Bill Stunkel, sale manager, 16 South Locust Street, Aurora, Ill., or to the auctioneer.

Liability - Although every precaution will be exercised to protect the safety and comfort of those attending, any person attending this sale must do so at his own risk. Accidents at cattle sales are rare, but every person must assume that risk to himself. Neither the owners, auctioneers, clerks, nor the sale manager can assume any liability. The sale manager was retained for specific tasks, promotional and clerical, and has nothing to do with the condition of the premises or the handling of the cattle. The purchase of each animal shall constitute a contract between buyer and seller of each lot. The sale manager can assume no liability for collection of accounts, fulfillment of guarantees, or errors in the health papers. Terms of the sale are cash. Settlements to be made with clerk immediately following the sale. All cattle become purchasers risk as soon as bid off.

Sale Order - Selling position will be determined by a sale committee made up of Auctioneer Pete Swaffar, Don Hurlbut, Verona, and Raymon Duer, Kenosha.

HE SELLS!

At right is Blythwood Welcome G by imported Rankeilour Baronet. This successful sire and 1958 Reserve Supreme Champion Bull over all breeds at the Mid-Winter Futurity sells in this sale. Many of his daughters are being retained in the Elmer Rule herd.

Probably the best bull we have ever offered in a consignment sale anywhere. He has everything to recommend for a sire and is bred to breed the right kind.

MARELLBAR DUPLICATOR is seen above. He is the sire of Lot 12. This is the bull that made such a great record in the herd of George Struve & Sons, Manning, Iowa.

Above we see **ROMANY ROYAL** in an unretouched, amateur photo. This bull sells as Lot 15. This is a double-bred son of Ballathie Heir. Looks like a great prospect.

REX W. GRANEY
